

Native American Museum Project

Goal: To have a display using a tri-fold board with pictures and other objects to represent your assigned Native American tribe. Your museum display must include the following information: tribe name, early population information, habitat and geography, homes, clothing and dress, food and diet.

You must also use Google Slides to present information for your display a minimum of five slides with pictures and explanations.

Every picture or display item must have a caption that includes the minimum of a sentence describing the rationale for the photo/item.

You will have class time to work on this assignment but some research, writing or artistic elements will need to be worked on at home.

Tri-fold board 40 points

Google Slides 30 points

Quality of information and neatness: 60 points

- Tribe name
- Early population information
- Habitat and or homes
- Clothing and dress
- Food and diet

Brainstorming/group planning : 10 points

**Keep in mind that museum displays are aimed to inform and entertain people. Someone who doesn't know anything about your particular tribe should walk away from your display with a sense of what life was like for your tribe.

Project due date is Monday, October 21st.
